

Exhibitor registration

The XVIIth edition of the « Rayons X et Matière » conference will take place in **TOULOUSE** (FRANCE), a European capital of aeronautics and aerospace and, more broadly, an integrated scientific technopole distinguished by advanced engineering, an innovative health cluster, and strong research-industry partnerships. The event is organized with the support of the French Crystallography Association (AFC), the French Society of Mineralogy and Crystallography (SFMC) and the French Society of Metallurgy and Materials (SF2M).

This francophone symposium attracts **more than 200 participants** and around **twenty exhibitors** and covers the different aspects of the interaction between X-ray radiation and matter, focusing on recent instrumental and methodological developments in laboratory, industry and on large-scale facility instruments.

It brings together scientists from the fields of X-ray diffraction, X-ray scattering, X-ray tomography, X-ray imaging, reflectometry, X-ray fluorescence, X-ray emission, and X-ray spectroscopy. **The multidisciplinary character of the conference makes it a place for meetings and exchanges, for both academic research laboratories and industry.**

Hence, “Rayons X et Matière” will highlight technological advances with applications in various disciplines, such as **physics, chemistry, metallurgy, geosciences and environmental sciences**. Particular attention will be given to **applications in the field of aeronautics and aerospace**.

Located at the heart of the event, over an area of approximately 1 000 m², an exhibition of scientific equipment for laboratories, large instruments and industry will enable companies to meet their customers or partners and present their new instruments and products.

The 2027 edition of the “Rayons X et Matière” symposium will be held at the first floor of the **Centre de Congrès Pierre Baudis**, located in the heart of the city. This complex offers an ideal infrastructure for hosting “Rayons X et Matière”. The conference rooms are located around **a large exhibition hall, which allows to bring all together the exhibitor's booths, poster locations and all catering services**.

Companies interested in the exhibition are invited **to complete the registration form** available on pages 5 and 6 of this circular and submit it by email to « contact-exposant-2027@rayonsxetmatiere.org ».

Do not hesitate to contact us via the email address « contact-exposant-2027@rayonsxetmatiere.org » to obtain more information on the exhibition.

Plan of the premises and planned location:

A large space, next to the conference rooms, will host in the same place the scientific equipment manufacturers and exhibitors' booths, as well as poster sessions, coffee breaks and lunches. Hence, exchanges between manufacturers and attendees will be strongly promoted.

The exhibition area will also host a welcome cocktail on Tuesday evening. The exhibitor booths will thus occupy a central place throughout the symposium.

Join us at Rayons X et Matière 2027!

Book your booth for the duration of the symposium, come and meet the many participants!

1 Booth options

	Standard booth: 6 m ² €1,800 excluding VAT	Large booth: 8 m ² €2,300 excluding VAT	Very large booth: 12 m ² €2,700 excluding VAT
Registrations (Number of people registered)	1	2	2
A 5-minute oral presentation in plenary session*	included	included	included
Gala dinner (Number of people included)	1	2	2

*Possibility of reserving a private room for a longer presentation (see §3)

Registration includes, for registered persons, **conference documents, coffee breaks, lunches, the Tuesday evening welcome cocktail and the Thursday gala dinner.**

A logo provided by you, will be included in the "Exhibitors" section of the conference website.

The 5-minute oral presentation will be possible during the "Instrument suppliers" session on Wednesday afternoon. The organizers will communicate the order of the presentations when the final program is established.

All booths are equipped with at least:

- A modular structure with 3 partitions,
- Needled carpet with protective film,
- Flags printed on both sides,
- A table and two chairs,
- Lighting and power supply (basic power)
- WIFI internet coverage.

Note: Personalized solutions will be examined with the greatest attention, on request.

The distribution of the stands will be made by the organizing committee shortly before the symposium according to the requests received and the order of arrival of the registration forms.

The exhibited material must be set up on Tuesday, November 23, 2027 between 8:00 am and 12:00 pm and removed on Friday, November 26, 2027 between 12:00 pm and 16:00 pm.

2 Additional services

- Registration, for the day, of an additional person on the booth: €120 *excluding VAT* per person.
This registration includes congress documents, coffee breaks, lunch but does not include the gala dinner.
- Registration of an additional person for the gala dinner: €90 *excluding VAT* per person.
- Registration for the symposium to propose a scientific communication (oral and/or by poster, non-commercial): refer to the website <https://www.rayonsxetmatiere.org/> and circulars for registration dates, colloquium themes and prices.

3 Reservation of a private room during the lunch break

It is possible to book and privatize a room for presentations and/or demonstrations for an amount of €400 *excluding VAT* for 45 minutes.

Support Rayons X et Matière 2027

Sponsor the symposium!

You can choose between three sponsorship packages to give your company even more visibility.

	Bronze €500 <i>excluding</i> VAT	Silver €850 <i>excluding</i> VAT	Gold €1,300 <i>excluding</i> VAT
Logo on <i>communication and program materials</i>	✓	✓	✓
Logo on <i>the "Industrial support" page of the website with a link to a specific page to present your company</i>	✓	✓	✓
Price reduction on a booth	10 %	10 %	10 %
Commercial expression page (recto) <i>in the printed detailed program booklet and in the collection of abstracts</i>		✓	✓
Oral communication * <i>during the "Exhibitors" plenary session</i>		5 minutes	5 minutes
Technical documentation or goodies <i>inserted in the official congress bag (equipment provided by you)</i>		✓	✓
Kakemono or advertising veil present in the amphitheater for the duration of the conference <i>(equipment provided by you)</i>			✓
Sponsorship of a scientific session <i>of your choice (the logo will appear on the program in the box of the chosen session)</i>			✓
Sponsorship a social event (a lunch break or gala dinner) ** <i>of your choice (the logo will appear on the program)</i>			✓

* Only one communication per exhibitor with booth and sponsorship. Talk time is not cumulative.

** Contact the organizers for the preferred lunch break day or choose the gala dinner. Requests will be considered in the order of arrival.

More visibility - You have the possibility of supporting the colloquium by

- Providing lanyards **for badges** and/or **notepads and/or pens** with your logo for all attendees.
- Sponsoring two poster prizes. Price +€500 *excluding* VAT per prize.
- Displaying **your logo on the official congress bag**. Price + €400 *excluding* VAT per sponsor (limited to 4 sponsors). This option must be validated **before October 15, 2027**.

Any other request, not anticipated here, can be discussed directly, please contact us.

Applications will be processed and options allocated according to the registration forms order of arrival.

To register, please fill out the registration form below.

| - Would like to provide lanyards for the badges of all participants: | Yes ☐ | No ☒ |
| - Wants to provide notebooks to all attendees: | Yes ☐ | No ☒ |
| - Wishes to provide pens to all participants: | Yes ☐ | No ☒ |

Applications will be processed and options allocated according to the registration forms order of arrival.

The booth's place allocation will be done just before the conference start, according to the received requests.

Rayons X et Matière 2027

General Conditions of Sale

The following general conditions define the conditions for participation of a company as an exhibitor at "Rayons X et Matière" 2027.

1 Participation application and terms of payment

Any company wishing to participate in Rayons X et Matière must send the organizer the above participation form, duly completed. Sending this participation application constitutes a firm commitment to pay the full price of the booth rental and/or the various service options chosen by the exhibitor.

Agence Vert Com is responsible for drawing up and sending the invoice to the participating company. Payment of the amount of the participating company is to be made within 30 days of receipt of the invoice and at the latest the day before the start of the conference.

2 Withdrawal – cancellation of registration by the exhibitor

The application to participate constitutes a firm commitment.

In the event of withdrawal or a request for a reduction in surface area, the exhibiting company remains liable for 25% of the amount including tax of its reservation until June 30, 2027, and for the full amount including tax of its reservation after June 30, 2027.

Any withdrawal must be communicated by the exhibiting company by registered letter with acknowledgment of receipt.

In the event that an exhibitor, for whatever reason, does not occupy his stand during the setting up of the show, he is considered to have resigned. The organizer may dispose of the defaulting exhibitor's stand without the latter being able to claim either reimbursement or compensation, even if the stand is allocated to another exhibitor.
